

**DAIRYLAND TIN LIZZIES  
DESTINATION: DOOR COUNTY**

**MEMORIAL DAY WEEKEND  
MAY 23-25, 2015**

The plans for our tour to Door County are being finalized. We will meet at the Kohler Generator Plant in Sheboygan at 8:45am on Saturday, and depart at 9:00 sharp! We have a full day planned, so we need to depart on schedule. If anyone needs directions to the Kohler Generator plant, please call DeWayne Fritz, Dan Schultz or Jack Leonhardt.

The tour route on Saturday has some very interesting stops planned. We have a new route and some great roads. We will not be going through Kewaunee, so we have a different lunch stop as well. I think everyone will enjoy the events planned for today.

We should arrive at RunAway lodge in plenty of time to relax and enjoy some appetizers before walking over to Happy Hour for dinner on your own.

Sunday morning at the Lodge we will enjoy fresh baked goods from club volunteers. Juice and coffee will be furnished also. Sunday's route will take us on some new roads to a requested favorite by many, a new local venue, followed by some music and wine tasting at Simon Creek (we have a back-up if it is raining). Our last stop of the day will be a local pub/diner for dinner, and back to the lodge.

Our tour home on Monday will include breakfast in Sturgeon Bay, a brief stop at a local establishment and, of course, Cedar Crest ice cream.

If you have not made your reservation, please do so as soon as possible. As of today there are only **3** rooms available and they are being held for DTL until **May 1<sup>st</sup>**. (2) 2-beds, (1) Q.
